

Make it Work – finding *your* cleaning routine

getting started checklist:

- corral cleaning supplies (put supplies in a caddy or where they are easily accessible)
- multitask moments (think of a couple opportunities, like while the kids are in the bathtub, clean the bathroom)
- list everyday tasks (write down things you do (or should do) everyday – i.e. wipe down counters)

- list weekly tasks that need to be done (vacuum, wash floors, clean bathrooms...)

- keeping in mind your schedule, assign weekly tasks to days below and list your everyday tasks
