

How do I love thee? Let me count the ways...

I love you because...

You are so...

After all these years...

I love when you...

Thanks for being...

Remember when...

I'll always be your...

You're my favorite...

I can't wait until...

You're the most amazing...

How do I love thee? Let me count the ways...

I love you because...

You are so...

After all these years...

I love when you...

Thanks for being...
